

MN FAAS**T**eam presents:

You Can Call Me Bravo Buster

"I have a phone number for you to call when you are on the ground. Advise when ready to copy".

Those are words no pilot wants to hear! Join Laura as she describes her inadvertent foray into O'Hare's Class Bravo and the events that followed.

She'll also talk about her flight around the DC SFRA, what kind of training is involved, and answers the questions What's the Fluky Gate?, Why is the Leesburg airport special?, and How are P56 and R-6608A different?.

Join us for a tour around some challenging and difficult airspace!

Directions: The hangar is on the southwest corner of the field and is northwest of the Tower and FBO. Parking is in front of the FBO. If flying in, ask the Tower for a progressive if you are unfamiliar.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a prize. Go to www.wingsindustry.net for more info.
